## Big T

Wlassup as you already know I was written up for some bull shit. The inmates names that was in the write up I didn't even know. So I sent a kite to the hearing officer asking for those guys to be present at the hearing. Anyway you remember when on that Thursday night while I was in D.S.U. Someone came to speak with me well the police who was working in D.S.U. Told Captain Watson I received a visit that night. So on Friday 4, 2007 Watson came to D.S.U. asking me what was the visit about. I stated to him it was about my magazine that officer Teal had written a racist remark in. So Watson said where is the book now and I said I let someone read it. He said who I said Adisa in A block. Keep in mind this is Friday. Someone picked the book up Thursday night as planned. So Watson said your fucking lying and I'm going to transfer you out east and you will never walk in population at O.S.P. ever again. Also Watson wanted to know some things you feel me, since I didn't cooperate, Belkue, Kelley, Watson, McBeth all of them have the buddy system. I was transferred over to O.S.C.I. on Monday. So I had my mom contact my lawyer. When my lawyer came to visit me I showed him the write up for racketeering and extortion that was in the afternoon when he left from visiting me my lawyer went to Oregon Department of Corrections main
