

JOINT ENTERPRISE: NOT GUILTY by ASSOCIATION (**JENGba**) is a grassroots campaign supporting prisoners who have been convicted under joint enterprise but who are not guilty of the index offence.

We are all volunteers who have a loved one in prison for something they did not do. We are campaigning to highlight the abuse of "joint enterprise" to convict innocent people, including children, who are serving mandatory LIFE sentences.

What is JOINT ENTERPRISE?

Joint Enterprise is an archaic doctrine that was introduced hundreds of years ago to outlaw duelling. It means anyone associated with someone who commits a crime can be convicted alongside them for the same offence.
